ANIMAL TRAINING SEMINAR

With Ken Ramirez

WHAT? A three-day complete course on Animal Training for the Zoo & Aquarium Professional. The material covered in this course could easily fill a full week or a full semester of study. Ken will cover both theory and practical applications in just three days. It will be a in depth course designed for anyone who trains animals on a regular basis.

WHO? Ken has over 30 years of professional experience working with dogs, marine mammals, big cats, birds of prey, and many other animal species. The course will follow the outline of his book, *Animal Training: Successful Animal Management through Positive Reinforcement* which was published in 1999. Ken uses the text as required reading for his graduate course on Animal Training which he has taught for 15 years at Western Illinois University.

WHEN? 3-5 November 2010. 8.00am - 6.00pm daily

WHERE? Rooty Hill RSL , **33 Railway Street, Rooty Hill NSW 2766**
